PlantPrimeurs

Lily formosanum White Crane		Product code: 106453
New at FloraHolland	Yes	
New at location(s)	Naaldwijk	
Grower	Kwekerij Tass	
Adm. no.	101220	
Supply	60,000 items in total	
Description	White Crane is an outdoor plant that can withstand frost very well. What's special about White Crane is that it grows to only about 20 cm high. The buds also reach about 20cm which creates a very nice effect. The flowers are beautifully fragrant (sweet).
